VOTING INFORMATION

District: Providence
Precinct: Fairfax #5
Voting Place: City Library (N.E. Crnr. University Dr. and Rt. 236)
Registrar: Mrs. Shirley Hartwell
City Hall, 273-7900

Democratic Party Precinct Chairman:
Mr. Robert C. Swinburne
126 Country Hill Drive 273-3549

Republican Party Precinct Chairman:
Mrs. Jayne B. Coulter
312 Layton Hall Drive 273-4057

To qualify for registration: A person who has fulfilled residence requirements (lived in Virginia one year by Election Day, in Fairfax City six months and in the Precinct thirty days), paid necessary capitation tax** and is not legally disqualified, should appear in person before the Registrar.

Notify the General Registrar if you move from one precinct to another in Fairfax City. Should an election occur before you have been a resident of your new precinct for thirty days, you may return to your former polling place and vote there.

If you moved to Fairfax City from another area in Virginia where you are registered, you must secure a certificate of transfer from the previous registrar and take it or mail it to the City Registrar.

Remember, you register only once.

** The poll tax is a capitation tax of $1.50 per year, due December 5th of each year. You are not automatically billed for this tax. However,

if you check the appropriate box on the personal property tax form mailed to you by the Department of Assessments, you will receive in November a bill for the capitation tax due in December.

Who Pays Poll Tax?

New Residents: You are excused from paying a poll tax for the year you moved into the State. If you moved after January 1, 1962 you are exempt from the 1962 poll tax and can vote in the 1963 elections if you are otherwise qualified and have registered.

New Voters: Residents reaching the age of 21 between January 1 and election day may register and vote this year without paying a poll tax. If a person became 21 during 1961 and failed to register that year, he must now pay the poll tax assessable against him for the first year.

Military Personnel: No member of the Armed Forces while in active service shall be required to pay a poll tax or to register in order to vote. Wives of military personnel must pay the poll tax and register.

Old Residents: You must pay poll tax for each year or part of a year you have lived in Virginia to a maximum of three years. If you did not pay taxes when due, this is what you owe if paid on last day: For year 1960 --$1.75; for 1961--$1.66; for 1962--$1.58.

Newly Naturalized Citizens: You are subject to the same poll tax and residence requirements as old residents but may register at once after receiving citizenship if otherwise qualified.
