First Level

Basement

Newly refinished hardwood floors welcome you inside this spacious mid-century modern home. Floor to ceiling windows & fresh paint make it naturally light inside. Located on a wonderfully landscaped lot it boasts curb appeal and garden views from inside. New carpeting on main level & stairs, recessed lighting in kitchen, newer concrete & brick driveway with exterior lamps are just some of the updates. Main level has been expanded to include den/ office/ play room. No HOA!

This floor plan illustration is an approximation of existing structures and features and is provided for convenience only with the permission of the seller. Information is not warranted to be exact or to scale. See the Terms of Use at www.floorplanonline.com
