CIVIC ASSOCIATION MEETING LAYTON HALL SCHOOL

ALL residents of Country Club Hills are invited to a regular business meeting of the Civic Association Board of Directors, at which time capsule speeches on topics of current interest will be presented. Our speakers are our own neighbors and, as you can see, we are fortunate to be so rich in "local talent"!

SAM WILSON, Dept. of Defence, Office of Civil Defense, will speak on the National Civil Defense Program.

CLYDE A. ERWIN, JR., (our own Vice-President), Coordinator of school-community relations for the Fairfax County school system, will discuss the proposed County school budget.

JAMES R. F. WOOD, Chairman, Fairfax City Planning Commission, will discuss the need for high-rise apartments in the City and the ordinance soon to be acted upon by the City Council.

ARTHUR D. STAMLER, Executive Director of the Fairfax City Chamber of Commerce will speak on the proposed mass transportation system for the City.

Refreshments by Mrs. Doris McManama.

Table and Coffee by Mrs. Vivian Troyer.

So, come on and meet your Area Representatives, listen and chat with your neighbors, and have a cup for the trip home....
