The City of Fairfax is purchasing the Post Office properties on ChainBridge Road and University Drive. (Logan Properties) The city will now own in addition to the Logan Properties, the Adjoining City Lot, the Sipan Lot and the North Street Lot. (See map). The City's goal for this property is " a signature project in the library/post office block that provides parking and retail, bridging to the center city blocks across North Street." (quote from Information paper from the City of Fairfax, John Mason, Mayor.) If you have any questions, concerns, opinions...please call your City Council members or Mayor or CCHCA Board of Director.
