MESSAGE FROM THE PRESIDENT

"I love Spring anywhere, but if I could choose I would always greet it in a garden"

-Ruth Stout

And – we know it’s Spring when we hear the birds song in the morning, and when see the daffodils emerging, the trees budding, and watching the garden coming to life again! And, of course the clean-up.

Along with Spring come all the Spring events. The Board of CCHCA has been busy planning some wonderful events to get us all back into the spirit of renewal. (see write-ups in the body of newsletter)

Join Tom Horn, Chair of the Adopt a Spot Committee for a clean up of our spot at the creek behind the Commons. Watch for the flyer to announce the date.

Our Annual Community Yard Sale gives us the opportunity to “clean-out” the clutter in our homes. That clutter becomes someone else’s treasure and puts some cash in our pockets. The date for the sale is April 30th so start going through your house and get rid of the things you don’t want. (You will find a replacement at your neighbors) For questions email Leslie Daniels at lesdan001@verizon.net.

The Annual Easter Egg Hunt will be held Saturday, April 23 at the Commons. Bring your children and eggs and join in the fun. (yes, there will be goodies for the adults as well.

It’s time again for the “changing of the guard” on the Board. My two-year term for the Presidency is over and I will be passing the gavel at our General Meeting which will be held on May 12 at our own CCH historic site, the Blenheim Interpretative Center.

In addition to hearing reports from our Board about the work they have done these past two years, we will be installing our new Board.

Our Program at the General Meeting will be a speaker from the City of Fairfax School Board to discuss school matters that are important to our community. If you have a particular issue you would like to hear about, please let me know – one suggestion has been to speak about the disciplinary actions in the school system. I think families with children in our schools will be happy to have the opportunity to not only learn more about our school system but also to have the opportunity to ask questions.

Please check out our website and look at the open slots for officers and Committee Chairs and we welcome you to come and join the Board with your expertise. We still have some openings for the Board and fresh ideas are always welcome. Please email the Nominating Chair Judy Fraser at jrobbfraser@gmail.com and tell her you are interested!

Serving as your President has rewarded me with the pleasure of meeting and interacting with so many of you. It’s the people that make a community successful! Stay in touch.

eMAS Updates

Subscribers continue to choose the route through which they will receive the alert (e-mail, cell phone text message) – but the city now can tailor messages to fit the particular resource – brief for texts, less so for e-mails, for example. Users also now may identify geo-graphical areas of interest on a city map, and subscribers will receive information the city sends specific to that area. Users also may now include their cell phone and Internet-service telephone numbers to receive voice messages from the Reverse 911 voice message service. This service is reserved only for emergencies or urgent situations. (Currently, the city receives a list of Verizon's landline numbers, which cell phone and Internet-phone providers do not provide.) Subscribers may continue to monitor their eMAS subscription from the home page – as well as directly from the updated address: emas.fairfaxva.gov_civic_association_elects.php

BLOCK CAPTAINS VP, STEVE CARUSO - SMCESTOP@MSN.COM

Block Captain's Corner

Alas, this is my final Block Captains Corner as the imposed two year limit is upon us.

I would to begin with a resounding Thank You to all you keepers of the information/membership routes. I have enjoyed meeting many of you and hearing from others. Many of you have delivered for years on end while others are fairly new volunteers, but all have put forth a great deal of effort. I've not only asked for deliveries under time restraint and recycling of envelopes, but also that you become door to door membership preachers and phone solicitors. I applaud your efforts and have no doubt that "pitch in attitude to get the job done" will be available to the new VP. The past two years have gone smoothly. We have carried out the duties as stated in the By-Laws, and at this time all route positions are presently filled. Lastly, to all residents whom might consider becoming a Block Captain or a candidate for Vice President of Block Captains please contact:

Steve Caruso 703-273-3085 smcestop@msn.com

Judy Fraser 703-825-7022 jrobbfraser@gmail.com

Thanks again for making my job a pleasure

ADVERTISING COMMITTEE — HILCARN@AOL.COM

The vendors that advertise in our newsletter are all recommended and approved by one of our residents. We hope that when you need a service you will think of going to the newsletter and checking out one of the advertisers.

Do you have a favorite vendor that you would like to recommend to your neighbors? For just \$25.00, (depending on the size of the ad) they can advertise in our newsletter. Help us out by mentioning this to all the companies you work with. Last year our Treasury was enriched by about \$1,500 through advertising in our Directory and our newsletters. It's a safe way to pick your service persons. Many of them are our neighbors and appreciate your business.

Email me at the above email with anyone you would like to recommend or if you have a business you would like to advertise. Rates are \$25.00 for a ¼ page ad or business card, \$50.00 for a ½ page ad, \$100.00 for a full page ad. All material should be copy ready and in black and white.

MEMBERSHIP VP, MARGARITA DIAZ - MARGARITADIAZ22@MSN.COM

Hard to believe that we are at the beginning of Spring and at the end of the first quarter of 2011. It seems that the years go by quicker.

To date 88 CCH members have paid their dues. We are still on our membership campaign for 2011. I urge you if you haven't signed up yet to please do so. This membership is part of what helps our committees plan fun events for our neighborhood.

Please join or renew your membership for just \$10 a year and now we have the option of renewing for two years. You can find your membership application on the back of this newsletter as well as on our website www.cchca.org, where you can also read about the benefits of being a CCHCA member. You can make your checks payable to "Country Club Hills Civic Association" and mail it or deliver to Margarita Diaz 10109 Cornwall Rd, Fairfax, VA 22030 or give the check to your block captain.

Please don't hesitate to contact me if you have any questions. Thanks in advance for your support.

-Margarita Diaz

CCHCA GENERAL MEETING - HILCARN@AOL.COM

May 12, 7:30 PM

Blenheim Interpretative Center

3610 Old Lee Highway

Come join the CCH residents to meet your new Board, learn about what the past Board has accomplished during the past year and enjoy touring our very own Historic site, the Blenheim Interpretative Center. Our featured speaker will be a representative from the City School Board.

The CCHCA holds an Annual General Meeting each year in May. It is a time that you can socialize with your neighbors, find out more about what the civic association does and meet the new Board. Installation of the new Officers and Board will be held.

For you new residents that have not visited Blenheim, come early (doors will be open at 6:30) tour the exhibit center and meet some of your neighbors. Our Membership Chair will be happy to accept your \$10 dues for year 2011 and tell you about the many activities the dues provide for us (refreshments will be served).

Hope to see you all there!

-Hildie Carney

TREASURER, ANDY PACHUTA — MR.PACHUTA@GMAIL.COM

Treasurer's Report for April

The current total balance of the CCHCA account is \$5,530.18. This is comprised of \$1,403.67 in "Restricted" funds, and \$4,126.51 in "Unrestricted" funds. Restricted funds are provided by city grants, and are therefore to be used for specific community initiatives, such as the landscaping of public areas like "The Commons". Your membership dues supply the Unrestricted balance, which goes towards food and supplies for wonderful CCH events,

ANNUAL COMMUNITY YARD SALE – LESLIE DANIELS

Spring housecleaning is coming up and to help with the task, CCHCA has scheduled the Annual Yard Sale for Saturday, April 30 from 8AM to 2PM. Our neighbors Old Lee Hills will be joining in the fun so you can go over and shop across the street as well. The sale will be advertised so we know the people will come – we just have to hope for no rain!

You can set up at your own home or take your things to the Common area. Flag your house as one that is participating with balloons so that people will know to stop. The closer you can have your items to the street the better it is for sales. If you have large items in your house, and don't mind showing them, itemize them on a sign with prices for people's consideration. And the best thing is that you don't have to bring anything back into your house. We have arranged to have a charity pick up all items you wish to donate by just leaving them at your curb.

So start looking through your house, put the items in a box and have fun de-cluttering! (And visit your neighbors to look for "treasurers"!) Email Leslie Daniels at lesdan001@verizon.net if you have questions.

COUNTRY HILLS GARDEN CLUB UPDATE, JOYCE SKOGLUND - JESKOGLUND@VERIZON.NET

The Country Hills Garden Club (CHGC) was privileged to have one of our own members, Georgia Laxton, present "Cutting Gardens". A "Cutting Garden" is a garden designed to grow flowers (perennials & annuals) that are especially good for cutting and bringing indoors or for show-casing in a particular flower arrangement. Georgia shared with us how to design a cutting garden, the type of flowers to plant and the variety of plants that do well in our area. She provided everyone with an extensive list of shade, part shade, sun, and part sun plants ideal for a cutting garden.

We celebrated Valentine's Day with a luncheon at a member's home. It is always fun to just relax and catch up with everyone. We had a short meeting bringing everyone up to date on our National Garden Club Convention which will be held at the J.W. Marriott in downtown Washington, D.C. in May. This is the first time that the convention has ever been held in our area. We are expecting members from all over the world. Several CHGC members will be volunteering at the convention and it should be an exciting time. Shortly after the convention, the 10th World Flower Show (WAFA) will be held in Boston from June 14-18. This extravaganza is held every three years and this will be the first time for the United States to host the show.

The President of CHGC will make a presentation on the basics of Landscape Design for the March program. The talk will cover everything from the base map (sketch of your existing yard) to site analysis (your property's strengths and weaknesses), to preliminary designs, master plan and plantings.

If you would like to join us for a meeting, or have any questions regarding our club, you may reach me at 703-591-4017 or at jeskoglund@verizon.net.
