

COUNTRY CLUB HILLS

COUNTRY CLUB HILLS CIVIC ASSOCIATION

OCTOBER 31, 1958

CLEAN UP!

SPRUCE UP!

APPROXIMATE COST \$430.00

The Civic Association is donating to this project but there is a need for a donation from each family (a minimum of \$2.00). Let's bring - safety to our children - beauty to our development and increased value to our property. You will be contacted for donations.

The community work day for this project has been changed to November 22 and will be finished as soon as possible.

NEW YEARS EVE DANCE - There will be a dance and details provided at a later date.

INCREASE IN SEWER CHARGE

There will be a petition circulated opposing the increase of sewer charge.

DOG'S --

Dog loving members of the Community ask that they be given a chance to rectify any nuisances caused by their pets before "ringing for a net". The "not so" dog loving members of the community join the postman in requesting owners to confine their pets according to the rules of reason, law and safety. The pets have no vote in the matter.
