

At the Annual Meeting of the Election Of Officers, there was only one nomination made from the floor. Mrs. Maxine Guy was nominated to run for President against the slated nominee Mrs. Armistice Turtora. This meeting was the best attended in many a year....about 75 people were there to cast their ballots - 1 per family. The outcome -- Maxine Guy 31; Armistice Turtora 33. THREE ITEMS COMING UP -- Like Now!

1. SUNDAY afternoon - TODAY - November 10, 1963; At 2:00 P.M. -- a DEMONSTRATION of the proper pruning of Boulevard trees by our Vice-President, Mr. Clyde Erwin. PLACE: 400 Capeway Ct. The particulars for the necessity for pruning at this time were mentioned in detail in our Bulletin of September 14th. We are informed that the City's right-of-way extends far enough to include the sidewalks and one more foot towards our houses. When they have to re-surface a street or do any other work they can remove obstacles--as is evidenced now on Brookwood Dr. The Public Works Department is there to re-surface the street, not to prune trees. To properly train the men to do so would take more time and more of your tax money! All of the Boulevard trees should have low growing branches removed so that a tall man can easily walk under them on the sidewalk side and a truck come close to the curb on the street side. We now have a volunteer qualified demonstrator, so, come on out and take a nice walk on a Sunday afternoon.....
2. TUESDAY night - November 12, 1963, 8:00 P.M., Room 305 - City Hall - BOARD OF ZONING APPEALS MEETING: - A request for a Special Use Permit has been made by the V.F.W., new owners of the residence at 540 Old Lee Highway (White house across the road from mouth of Old Post Road, entry #3). The V.F.W. wishes to increase the size of the garrage and use it as a Post-Home and place of assembly. This is all they have requested in their letter. The Board of Zoning Appeals can put any conditions on this permit they deem advisable. Your opinions on this subject are invited. Do you want one of the conditions to be that no alcoholic beverages be served? This is the access road to our swimming pool. Do you want anything special done about the traffic? We do not know what the future requests for a Special Use Permit will consist of. Do you want the Post-Home there at all? There are 305 homes in Country Club Hills. We are all affected by what happens near any one of us. It has been apparant in the past that you wish Civic Association Action on such matters. We have already gotten a few calls, now we need many more, plus a good attendance at the meeting so that we can hear all of the facts. So please call your Area Representative right away so that we can accurately and statistically represent CCH in a statement on Tuesday night.
3. FRIDAY night - November 15, 1963 - 9:00 P.M. to 1:00 A.M. - FALL DANCE Bill Weems must know by Wednesday night what the attendance will be -- No tickets for sale at the door, they are limited in supply, so call your Area Rep. now and pay for them by Wednesday! \$5.00 per couple which includes set-ups, B.Y.O.B. PLACE -- By popular demand at the International Town & Country Club, Lee Highway, towards Falls Church, to the foot stomp-ing music of Bob Southee and The Travelaires.
