

SCHOOLS - REZONING - various meetings of interest to us here in the City of Fairfax (and you know, you can't get to all of them!) have been getting excellent and thorough coverage in the FAIRFAX CITY TIMES. In the past 3 weeks there has been a great deal of information about our SCHOOLS in the TIMES. Your Area Representatives have extra copies of the January 24th and 31st issues courtesy of the TIMES. You have received this week-end, at each house, a courtesy copy of the February 7th issue. The Civic Association Board wishes to urge you to fill in and return the self-addressed subscription blanks enclosed in these newspapers in an effort to support this local weekly newspaper. We cannot in these Bulletins do the job a good local newspaper can do! It has been demonstrated to us in recent months that the TIMES can...and will...

BULLETINS - Mrs. Judy Klotz has volunteered to help with these Bulletins! From now on, Cr. 3-3249, 109 Old Post Road, is the place to call for items to go into the Bulletin. Judging from your calls, it seems that a monthly publication date is desired. This is, of course, impossible as a one-woman operation! Mrs. Klotz will be happy to receive all calls and from time to time will be calling you for various types of information. The calling for, and checking out of information is about the most time-consuming aspect of this sheet! Now maybe, we will get more information from the various organizations and activities that CCHillers are so busy about! Area Representatives have been asked to turn over to her names of people they know who are so busily occupied, names of newcomers, and other items of interest. I guess this is as good a time as any to mention that it costs us about \$10.00 to put out each Bulletin, even tho we have an "Angel" who donates the paper! Supplies (ink, etc.) and delivery for 305 houses does this. This and other items mentioned below are the reasons for collecting \$2.00 a year for dues, and that is only \$2.00 per family! So please greet your Area Representative with a smile when they call on you this month....which brings us to the --

COUP-OF-THE-YEAR....Ruth Couch, Area I, came to the Board Meeting last Monday night with dues collected from everyone in her Area! Just when the Treasurer said there was no change in his report! After everyone recovered, she was asked what her approach was...."Just walking around in the snow and looking pathetic!" So...we can either pray for more snow or you can mail, send one of your children or deliver the dues yourself to your Area Representatives. This year we would like to have a little more information from each of you. We would like the names of the people living with you--grandmothers, etc. so they can be independently listed in the Directory. Also the NAMES, MONTH AND YEAR of birth of your children, for our records, or listing in the Directory, if you so wish. It would be helpful to the Board to know how many residents we have who are 16 yrs. old for instance... or 10 yrs. or 5 yrs.

HOOTENANY - Block Party - Barbecue - movies - lectures, were among the programming suggestions for 1964. The Board thought that if there was any interest for a hootenany, it should be held before school is out and plans should be started now. Area Representatives are ready to hear from all of you who are interested in a HOOTENANY -- please call right away if you are interested - next Board meeting is 1st Monday in March and we must decide then whether or not to go ahead with it.

SPRING DANCE plans are being made for some time in APRIL, just after Lent, as in the past. Exact time and place to be announced.

BABY SITTING and BABY SITTERS: We are in the process of revising and updating our baby sitters list, pages 18-19 in the Directory. There are a number of thoughts that have been expressed to us about this business. (1) During the week--evening sitters with later than 10:30 curfews are needed. Parents of small children can hardly get out to a meeting or a movie during the week and get back in time. (2) Speaking of curfews--they are to be respected by the adults! It just is not cricket to call at 10:30 and say you're on your way home and then finally get there by 1:00 A.M.! When no emergency has occurred! (3) There is a need for more BOYS on the list, they make excellent sitters, and the little boys enjoy the natural common interests with a "Big Brother". (4) Baby sitters should keep a calander which is marked with their engagements. Such a calander kept handy to the phone will eliminate a lot of extra unnecessary telephoning and waiting!

DOGS are becoming a real problem. We have had several calls this month! They seem to be running in packs at this point. All the parents of small children full well realize the implications in this situation! Well...how about some suggestions from the dog OWNERS...no one else seems to be able to do anything without fear of being bitten by dog or insulting a neighbor!!

BLOODMOBILE : There are different times during the year when the Bloodmobile comes to Fairfax, or when the Fairfax County Chapter House at 310 South Paine St. holds Emergency Bloodmobiles. We are often asked to publicise this information which we try to do. Since most of the men give blood through their various office blood-bank drives, it has been found that there are very few donors from CCH directly to the local bloodbank. Those of you who wish to be notified when there is a local bloodmobile, please call Mrs. Smithpeter at Cr. 3-1820. Transportation and child care are available....after that, it's easy! There really is a great need in this area, so make that call. What better way to deserve a steak and a glass of wine for dinner!!

RUMMAGE SALE: February 14 - CUB SCOUT DEN "6" - at 509 Spring Lake Terrace

from 3:30 - 5:00. The boys are being asked to contribute old toys, etc. for this event. Sounds like a good time for a toy exchange with a worthwhile group receiving the proceeds!

WINNERS: of the OUTDOOR CHRISTMAS DECORATIONS contest were: First of \$25.00 to Charles and Jean Levins, 409 Boxford Ct.: Second of \$15.00 to Walter and Vivian Troyer, 220 Andover Dr.: and Third of \$10.00 to Chris and Betty Steier, 406 Spring Lake Terrace. HONORABLE MENTIONS to the John Vegers of 305 Spring Lake Terrace, and to Arlene Kettle and her sister Ilse Williams of 308 Brookwood Dr. whose consistently well placed display of Christmas figures gets the popular vote of all the children. There were many displays which were very beautiful. It was suggested that next Christmas we have more categories of competition, such as indoor decorations, visible to the outside; commercial lighting; original creations, etc.

CONGRADULATIONS -- To Charles W. Carmody -- He received recognition for his "exceptional service on behalf of the FAA in the allocation and use of the nation's airspace." He received a silver medal from Mr. N. E. Halaby, FAA Administrator.

NEEDY FAMILY - Mrs. Malo reported on the results of the collection for this family's Christmas. Since there was so little response from our residents, she went to work tapping other sources. A telephone poll of the Civic Association Board was taken and \$25.00 was donated towards new shoes and toys for each child. Mort's Bootery in the Fairfax Shopping Center, donated new shoes for the baby and socks for all the children, plus a drastic reduction on new shoes for the other 3 children. KROEGERS donated a large basket of fruit and the SAFEWAY gave \$5.00 worth of merchandise. Further telephone contacts by Area Representatives, Doris McManama and Phyllis Malo brought a better response. On Sunday, December 22, with the added assistance of Roy Abat and Billy Malo delivery was made to a very appreciative family. This family still needs help... if you are so inclined, your Area Representative has the particulars.

SALVATION ARMY: Geneva Welsh reports that our toy collection was small but choice. She says she is willing to do the collecting (she and Joe even cleaned and repaired the toys) again next Christmas and hopes you will mark your calendars for Fall Cleaning time as a reminder to take your supply of outgrown, repairable toys to 318 Farmington Dr. Needless to say, we appreciate their yearly efforts!

PETTY VANDALISM: in CCH which has been a major point of discussion by your Board for several meetings was climaxed with the meeting of January 6 when Chief Young and Detective Stark were the guest speakers. We found out that although the largest number of cases on their books occurred in CCH, we are the largest community in the City with 305 houses. Although we average out with the other communities, the situation should not be tolerated. Main points ---- please report all incidents to the police, know where your children are, cooperate with the police if your child becomes involved. Utter disbelief and reticence to punish, or withdrawl from and too severe a punishment for the offender seem to be the natural reaction. Both extremes of reaction by the parents are undesirable!

RECREATION ASSOCIATION: By this summer plans to have tennis courts adjacent to the swimming pool! Memberships are still available.
