REZONING HEARING WEDNESDAY, FEBRUARY 15, AT TOWN HALL 8 P.M.

Town Planning Commission's Hearing on Bob Stafford's application to rezone six acres on Spring Lake Terrace will be held in Town Hall Wednesday, February 15, at 8:00 p.m. The hearing was postponed from February 8, because of the storm.

Stafford proposes to rezone this tract from R-2 (single-family houses only) to R-3 which permits semi-detached dwellings (duplexes) by right and apartments on appeal.

While Stafford has indicated that he intends to build single-family houses, the adjoining property owners and the Civic Association have decided to oppose the rezoning as an unnecessary change which would endanger Country Club Hills as a single-family dwelling area. PLEASE BE THERE IF POSSIBLE!

The Christmas party drew a good turnout despite cold weather, and John Horn did a skillful job with bag and beard. Ty Setliff handled arrangements.
