CIVIC ASSOCIATION MEETING. There will be no meeting in April. Next meeting is tentatively scheduled for May 13th.

DOGS. Unleashed dogs have been causing property damage and annoyance to residents of this area. County law requires that dogs be tied or fenced in. The County Dog Catcher has been notified and is making periodic sweeps of the neighborhood. Any resident who is annoyed by dogs on his property is requested to tie the dog and call the County Dog Catcher. Pick-up will be immediate. Dogs may be retrieved at the Fairfax Dog Pound for \$10.00.

MILKY SPORE. A large percentage of the lots in this area have been treated with Milky Spore to reduce Japanese beetle damage. People who have not had their lots treated can obtain milky spore and directions for its use at any of the local hardware stores.
