TO TAX OR NOT TO TAX

Our next meeting is Thursday, June 13, at Layton Hall School. Time is 8:30.

At that time, two plans for obtaining street lights will be voted upon. The attached sheet explains these plans in detail. Plan now to come and express your desire on the subject.

Mr. Massey, the County Executive, will discuss Sanitary Districts, and their advantages, and disadvantages.

IT'S PICNIC TIME and our picnic is planned for Sunday, June 16, at Great Falls Park. We're hoping everyone will be able to attend. The main reason for the Sunday date is so everyone connected with the Little League will be able to attend. Activities are planned for all age groups:

Softball--for the adults
Volleyball--everyone
Horseshoes--adults
Dancing--adults and teenagers
Supervised activity--for the children under seven
Sack races--adults
Carousel--10 cents per ride, available for the kids
Playground equipment for the kids.

Make your reservations with your section's representative, as listed in the previous flyer. ALL RESERVATIONS MUST BE MADE BY JUNE 13.

Car Pools:

Annandale Co-Operative Nursery School. Call Mrs. Plappinger, CR 3-2136 for details.

Pentagon: Jack Robinson. Hours 8:00 to 4:30 Call CR 3-5993.

Delegates appointed to the Fairfax County Federation of Civic Associations are Ed Tierney, Dave Guy, Joe Bowman, and Lee Callison.

STREET LIGHTS

We will vote for or against street lights at our meeting on June 13.
Two plans are available, and will be discussed.

PLAN I

The Civic Association can pay in advance \$18.50 per year per light installed. The Association can select the location of each light.

PLAN II

To establish a "Small Tax District" comprised of Country Club Hills alone, for the sole purpose of lighting. The establishment of such a tax district will not involve assessments for anything except street lights. The procedure for this is as follows:

- (1) Petition the Circuit Court with a request for street lighting and establish the proper boundaries.
- (2) Assume an assessment of from 3 cents to 6 cents per \$100. assessed valuation of our homes, per year.

COMMENTS: Plan 2 allows the County to place lights wherever they deem necessary. (Possibly every third telephone post and at intersections.)

An immediate decision would mean that we would have lights before July 1, 1958, under Plan II.

Plan I can bring us lighting immediately.

These two plans can be combined. #One to get us started,
two to assume responsibility once installed.

If you want street lights, please sign the form below, and bring it to the next meeting.

I am willing to pay the estimated cost of street lights to be installed in Country Club Hills.
