SCHOOL SITUATION TO DATE — —

We continue to follow the developments. Most recently, the Fairfax County School Board agreed to place the Layton Hall School districting on their July 23 agenda. A group of CCH residents attended this meeting at which Mrs. John Turtora, President of the Association was given the opportunity to present to the Board the pertinent facts which were outlined in our last BULLETIN. Additionally, some board members were made aware that the rooms available in Fairfax Elementary are so because the children they housed are being transferred to Layton Hall.

We learned that the new school construction will begin soon. The lowest bid was about \$40,000 higher than anticipated so the City Council appropriated the additional funds necessary. Completion is expected by February 1st.

One interesting development was Mr. Funderburk's explanation of plans for the 400 students involved in waiting for completion of the New City Elementary school:

1. All first graders and most second graders will be double shifted at Layton Hall.
2. Seven classroom units will be transported to Fairfax Elementary School.
3. Three units will remain at Layton Hall.

The County School Board will discuss all aspects of this problem and notify Mrs. Turtora of their decision. We have not received any further information as of this date.

DID YOU KNOW — That all of the meetings listed below are open to the public and that all of them are conducted in virtually empty rooms? Unless, of course, a group of people decide they are against something? Why not attend some when you are an unbiased observer? Report it to our BULLETIN if you wish—we need this sort of thing. Especially tonight's City School Board Meeting, we can't be there because our own Board meets on the first Monday of each month.

City Council 1st & 3rd Wednesdays
Planning Commission 2nd Monday
Bd of Zoning Appeals 2nd Tuesday
City School Board 1st Monday (8:30 P.M.)

All meetings are normally held at 8:00 P.M., Room 305, City Hall. No news media could begin to convey all of the deliberations necessary in such a rapidly growing community. To take part is to take pride, so come and take part—those who are need you... ARISTICE TURTORA

HI! NEIGHBOR, COFFEE..

A new first—was held Wednesday morning, July 29, to introduce several new residents to their neighbors and to the community. Also, by way of introduction, they were given complimentary copies of the CCH DIRECTORY and the League of Women Voters "Know Your City" pamphlet, (a gem of a publication which was praised editorially by the Northern Virginia Sun recently). We told briefly of the community activities which abound and invited our new neighbors to join us when they were ready.

We'd like to carry forward on a once a month basis, setting some time during the last week in the month as our schedule. Any of you "old" (Who, Me?) gals want to volunteer as hostesses? Remember how strange you felt when you first moved in? You can do your bit to make this a more pleasant and friendly community. Even if you can't run over and say hello, you can call your block captain or area representative and tell him of the new arrival, so he can call on them.

Have you any ideas a welcoming committee might put into practice?? Communicate! Your civic association is all ears!

The CCH Civic Association
Dear Members:

I wish to express my sincere thanks for your generous contribution of \$25.00 towards financing my trip to the Sixth International Youth Science Fortnight, August 5-18th in London, England.

I am hoping to get some good pictures of the sights we visit. If so, would be happy to show them during one of your meetings and to give you a resume of the trip.

Again, thank you for your support.

Sincerely yours,

/s/ Howard Ozer, Jr.

We welcome this month our contributing reporters. In our last BULLETIN we welcomed our first "Letter". We hope this will become a practice and that you out there will feel free to let us hear from you. This is your BULLETIN. Please write plainly or type double spaced and send your items to Armistice Turtora, 404 Capeway Court. Aim at the 17th or so of the month so that we can have enough time for typing, setting up, etc. for a 1st weekend of the month publication date. Wow! — Well— how would you have said it!!!

DIRECTORY CHANGES

There have been many changes for one reason or another in the past year since our DIRECTORY was published. Pages 18 thru 22 therefore, have become completely obsolete. Since our June 19th BULLETIN we have received only 9 listings! We owe Betty Ose (one of our baby-sitters) a vote of thanks for the hours she spent on the phone checking with the rest of the people who were formerly listed to see if they wanted to be listed again. IF YOU ARE NOT INCLUDED—please turn in the pertinent information to your block captain or area representative for publication in our next BULLETIN.

ATTENTION ALL TEN-PIN BOWLERS

The 1964-65 Country Club Hills Bowling season will commence on Wednesday, September 9th at the Fairfax Circle Bowl America alleys. The 16-team league will bowl each Wednesday at 7:00 pm.

Due to normal attrition and the league's recent move from Annadale to Fairfax, several vacancies have been created. This is an invitation to new members.

As you can see, there are not too many openings, so in order to be fair, vacancies must be filled on a first-come, first-served basis. August 10th is the cut-off date.

The league is sanctioned by and adheres strictly to American Bowling Congress and Women's International Bowling Congress rules; however, it is not necessary to be an expert bowler, or even a good bowler in order to join us. This is primarily a fun league and the competition is friendly. Further, those who are interested in being substitutes only, are welcome and needed.

Bowling fees are \$2.00 per regular per night (\$1.65 - 3 game fee, plus 35¢ for prize and banquet fund). Substitute fee is \$1.65 per night (the absent regular pays the 35¢).

If you are interested, call Ruth Lawson (273-0561) or Chuck Gilpin (273-5293) right away. Be prepared to give an estimated bowling average so that we can equitably form teams. Handicaps will be established after the opening of the season.

Don't put off calling and don't stick this notice in a drawer! August 10th is not many days away.

Ruth Lawson, Secretary
CCH Bowling League
273-0561

NOTE TO THOSE WHOSE NAMES APPEAR ABOVE:

Each of you was called personally by me at least once. If I have presumed to list your name without permission, I did so only after checking with a former team-mate, a neighbor, the former secretary, your milkman, or the dog-catcher. So, unless I hear otherwise by August 10th, may I assume the commitment is satisfactory to those named?
