

[**E C C H O**]**MESSAGE FROM THE PRESIDENT**

“Miracles are natural; when they do not occur, something has gone wrong.” by Helen Schulman

It's the season of miracles and the CCH Board hopes to make some miracles happen by sponsoring a needy family for both Thanksgiving and Christmas. A season of giving; if you would like to help with this effort please call Dia with your donation. (see article)

We hope to put some sparkle in the eyes of our children by the annual visit from Santa; see Nina's article on how to make that happen!

And – create a miracle - get your homes ready for the Holiday Decorating Contest! We have had some very creative and festive homes in the past. Will your home be a winner this year? Judging will be held the week of Christmas by some very expert eyes!

Welcome to our newest member of the Board: Alyssa DeLutis-Hoeth, who has accepted the Chairmanship of our Community Appearance Committee. See her article and let us know if you need help – we will be publishing the names of our teen helpers to provide you with services such as shoveling snow (coming soon) and other household chores you are unable to afford or do on your own.

Did you know that CCH Civic Association is considered a model in the City. VP July Fraser and I attending the quarterly meeting of the newly reestablished “City of Fairfax Homeowners Community Association” An Association of all the subdivisions in the City. All are impressed with the work we do here in CCH.

The Labor Day party and Halloween party were attended royally in spite of the impending rain. The best thing about it was that you could not help but meet your neighbors as we all huddled under the canopy at the Commons! The food at the Labor Day bash was exceptional – congratulations to Lee Fabor for her great salad and to Patrice Winter for her wonderful cupcakes. Thanks go to the Student Senate group of GMU for protecting our children during the trick or treat in CCH by doing the “witch watch”.

Thank you all for responding to our membership “push” We grew to 144 members during our door to door visit. Membership dues are how we can continue to provide the wonderful activities we have in CCH.

Be sure to check out our website CCHCA.org and get all the happenings in CCH. In particular, Ernie, our Webmaster, has compiled and posted over 200 documents of the history of CCHCA – wonderful stories of how it all began.

Wishing you and yours a wonderful holiday season and I give thanks for all the hard workers on our Board, our advertiser's who make it possible for this newsletter, and to all our resident's who make this a special place to live.

-Hildie Carney

GETTING TO KNOW YOU—FEATURED BOARD MEMBERS

Steve Caruso

Steve is our very versatile VP, Block Captains. He's the one that makes sure we have a block captain in your area so that you receive your newsletter, flyers, and other information of importance. We have 27 block captains divided into 4 areas. Steve keeps this wheel moving very smoothly.

Steve has been a Board member for three years; first as Chair of the Adopt-a-Spot Committee organizing the cleaning up of Accotink Creek. He was also instrumental in convincing the City to add a walkway between CCH and Fairfax High School and to supply trash cans. This assured safety for the walkers and encouraged recycling.

Steve and his wife Pam of 27 years, moved here in 1989. In his "real" job, Steve is a pressman, running a high speed web offset printing press, a demanding front line craftsmanship job. Pam is an RN at Virginia Cardiology. Steve and Pam have 2 boys, Nathan and Alex. Nathan is a Senior at James Madison U. and Alex a Sophomore at Appalachian State U. They both write music; Nathan plays guitar and sings, and Alex plays piano and sings. Mentoring them in Scouting, Tiger Cubs, Cub Scouts and Boy Scouts; camping, canoeing with them was always a great time. Steve is very proud of both of them.

CCH is not the only volunteer work Steve is involved in; he helped coach a variety of little league sports when his boys were growing up; football, wrestling, baseball, basketball and soccer. He hasn't stopped his mentoring in spite of the "empty nest". Steve is now refereeing sports several times a week.

We are honored to have Steve on our Board. Call him and pat him on the back.

Newly Created Environmental Sustainability Committee

City Council established the Environmental Sustainability Committee to advise and assist the council on environmental and energy issues. Membership on the committee is open to all city residents who have lived in the city for at least a year. Members will serve two-year terms and the committee will meet bi-monthly. For more information check out the city's website or contact Adrian Fremont at 703-385-7816 (afremont@fairfaxva.gov) Interested in being a member? Send a letter and resume to the city clerk at 703-385-7935 (cityclerk@fairfaxva.gov) before December 31st.

Leaf Vacuuming by the city will continue through December 31st

When raking/blowing leaves to the curb remember to keep the storm inlets clear to reduce the amount of leaves washing into the storm sewers.

Does your trash can have a name? If not a name, at least your street number on your trash cans and lids will help identify any wandering cans or lids when winter winds blow.

Holiday Trash Schedule:

Thursday December 24 – Thursday and Friday routes collected

Friday December 25 – no collection

Monday December 28 – Wednesday December 30 – regular collection

Thursday December 31 – Thursday and Friday routes collected

Friday January 1 – no collection

Christmas trees will be picked up on regular trash days in January – make sure all ornaments and decorations are removed before putting the tree at the curb.

New City Web Page for Bicyclists!

On the FairfaxVa.gov website, under Parks and Recreation, check out the new link “Cycling in the City” for great information on safety, maps and routes (several mapped rides in the City!), classes and links to other useful sites.

Block Captains Corner

Thanks to all CCHCA Block Captains!

Because of the door to door efforts of our duty minded Block Captains during a 2nd push Membership Drive... Country Club Hills has doubled membership!! Your time and energy are helping a fantastic neighborhood continue to thrive.

Please review the vital Holiday Season information elsewhere in this newsletter. Let's make our usual yeoman effort and deliver the reduced number of hard copies as soon as they arrive.

Should any questions or requests be brought to your attention by residents on your delivery routes please direct them too:

Santa Will Make an Early Pit Stop a CCH Again This Year

Country Club Hills has made Santa's nice list again, and he will be coming door to door. On the evenings of Thursday, December 10th and Friday, December 11th, Santa will be available between 6:30 and 8:30 for visits with all the good little boys and girls at their homes. This is your opportunity to get a picture of the kids with Santa in front of your own Christmas tree.

If you would like Santa to come to your home, e-mail Jill Toth at JillToth@yahoo.com with your preferences from November 30 to December 4 to arrange a time. To help Santa's elves, leave a small gift outside the front door just before your scheduled visit. Santa will slip it into his bag on the way in. Do you have a little spare time to help spread holiday cheer? We are in need of a driver to escort Santa around the neighborhood for one night. (Thanks again to Steve Caruso for volunteering to drive Santa the other night.) Happy holidays, everyone!

For more information or to volunteer to drive Santa, please e-mail or call Nina Prescott at ninaprescott@verizon.net or 703.209.6973.

Holiday Recycling Ideas

Holidays provide a wonderful time to bask in the beauty of extravagance! Here is a sampling of the millions of tips available for enjoying everything the season has to offer without the waste:

Consider endless alternatives to using wrapping paper, such as:

- Reusable gift bags
- Cloth
- Baskets
- Children's original artwork

Consider "gifts that keep on giving"

- Battery chargers
- Gift certificates for fun experiences (make your own note when possible to avoid the plastic card),
- Memberships or subscriptions to online services
- Charitable donations

When you receive beautifully packaged gifts, be grateful and then save the paper and ribbons to reuse them.

Entertain without disposable plates, napkins, cups.

Be aware of the City's Christmas Tree pick up dates (still TBA at this time).

Recycle your broken or burned-out holiday lights. Mail them to Christmas Light Source Recycling Program, 1923 6th Ave., Ft. Worth, Texas 76110. The bulbs will be recycled, and proceeds will be used to purchase books for the Marine Toys for Tots Foundation in the Dallas-Ft. Worth area.

COMMUNITY SAFETY VP, ALICIA THOMAS - THE5THOMASES@COX.NET

Holiday Safety

We are approaching one of the most exciting times of the year for our families – THE HOLIDAYS!!! Here are a few tips to ensure that we all have a safe and happy holiday season. (some information adapted from an article from the American Academy of Pediatrics)

Trees:

Artificial Trees: Ensure that they are “Fire Resistant”

Live Trees: Pick a fresh tree – green, needles are hard to pull from the branches & do not break easily and the trunk base is sticky with resin. Keep stand filled with water to prevent drying out. Bounce tree on the ground – if needle fall off, the tree may have been cut too long & is dried out.

Placement: Place tree away from fireplace, radiators, portable heaters & vents – do NOT block doorways or traffic patterns. Never, dispose of needles in fireplace.

Lights:

Check all lights (including newly purchased) for frayed wires, broken bulbs and loose connections.

Never use electric lights on a metallic tree (faulty lights can charge the tree with electricity causing electrocution.)

Plug all outdoor electric decorations into circuits with ground fault circuit interrupters to avoid potential shocks. Use insulated staples to hang outdoor lights

Turn off all lights when you go to bed or leave the house. The lights could short out and start a fire.

Do not overload outlets. Do not link more than 3 light strands, unless the directions indicate that it is safe.

Check wires periodically – they should NOT be warm to the touch.

Decorations:

Use only non-combustible or flame-resistant materials to trim a tree. Choose tinsel or artificial icicles of plastic or nonleaded metals.

In homes with small children, take special care to avoid decorations that are sharp or breakable. Keep trimmings with small removable parts out of the reach of children to prevent them from swallowing or inhaling small pieces. Avoid trimmings that resemble candy or food that may tempt a young child to eat them.

Remove all wrapping papers, bags, paper, ribbons and bows from tree and fireplace areas after gifts are opened. These items can pose suffocation and choking hazards to a small child or can cause a fire if near flame.

Fireplaces:

Before lighting any fire, remove all greens, boughs, papers and other decorations from the fireplace area.

Do NOT burn wrapping papers in the fireplace. A flash fire may result as wrappings ignite suddenly & burn intensely.

Drive carefully!!! Although the weather has changed, children are still playing outside. Observe the speed limit – taking just ONE extra minute to get in and out of the neighborhood could save a child's life.

Each year fires occurring during the holiday season claim the lives of over 400 people, injure 1,650 more, and cause over \$990 million in damage.

HOLIDAY SPECIAL—OUR DAILY BREAD OUTREACH

CCHCA participates in Our Daily Bread's Holiday Program each year. If you are new to the neighborhood and unfamiliar with the organization, please go to their website www.our-daily-bread.org. A brief description copied from the website:

–Holiday Program Update, November 25: We currently have more than 3,500 Fairfax families who have requested holiday assistance through our program, and more than 1,700 who need assistance for the December holidays. We are in GREAT NEED of families and organizations to help families for December holiday meals and gifts. Please consider adopting a family for the December holidays or donating funds to help us purchase gift cards for families who are not adopted!

Our Daily Bread's Holiday Program matches families in need throughout the Fairfax County area with local community groups, businesses and individual families willing to provide Thanksgiving and December meals and gifts. Families are referred to Our Daily Bread by Fairfax County social workers and community-based organizations who evaluate families to ensure there is a true need.–

If your family would like to adopt a family please visit the website for instructions. If you would like to participate as part of the CCHCA Family, please write a check (no amount too small, they add up quickly!) payable to CCHCA Treas. and we will adopt a family. Please bring/mail the checks to Dia Pullen - 10004 Boxford Court. I will purchase a Target gift card and a Shoppers Food gift card with our community donations. I would like to have all the checks collected by the 18th. If you have any questions, I can be reached at 352 8670 or diapullen@hotmail.com.

Thanking you in advance for your participation and generosity.

-Dia Pullen

HISTORIAN, STEVE LESCURE - STEPHEN.LESCURE@CGI.COM

Would you like to check out the CCHCA collection of historical materials from the comfort of your own home? Thanks to the historical efforts of Ernie Klimonda, now you can.

Over the years the CCHCA has preserved documents that could be of interest to residents. The documents included party announcements, newsletters, directories, meeting minutes, photographs, among other items. Opportunities to view the collection are rare. It generally resides in a dark closet of my basement, making very occasional public appearances at CCHCA events.

Now selected pieces of the collection are available on the CCHCA web site at <http://www.cchca.org/index.php?c=history>. See the links *Directories, Newsletters, & Meetings 1955-1959* and *Directories, Newsletters, & Meetings 1960-1999*. There's a lot of interesting items!

Many thanks to Ernie for the many hours of labor that went into putting the collection on-line.

COMMUNITY APPEARANCE, ALYSSA DELUTIS-HOETH - ALYSSACDEL@AOL.COM

Every time I hear a story about how a community comes together to meet a need or assist a neighbor in a difficult situation, I smile and marvel at what a very special neighborhood it must be! We can add our Country Club Hills to that wonderful list of communities.

It was observed some time ago that a neighbor on Cornwall Road had difficulty keeping up with his yard which had been taken over by bamboo. Through the Helping Hands Ministry at Fairfax Community Church, a group of high school students from Indiana spent their week-long mission trip working on removing the bamboo, a few scraggly trees and much undergrowth from this yard to reveal a house in need of some repair behind all that bamboo. The students proceeded to do some minor exterior repairs and add a fresh coat of paint. The vegetation that was removed formed mountains along the street in front of his house, his neighbors houses and the houses across the street. It was really quite amazing!

But what really impressed me was that it wasn't just the students that worked so hard to reclaim this house, it was the great number of neighbors who also pitched in to assist their neighbor in need. Not only was the removal of bamboo an arduous task, but also trying to keep ahead of its rapid re-growth until it could be completely eliminated. But neighbors once again responded to the call and assisted with lawn mowing and bamboo clearing, and not just once but whenever the need arose. We will continue to work to assist our neighbor to get his yard to a point where he can care for it himself. I thank each and every one of you who gave of yourself and offer for plants from your own lawns to landscape his. It truly warms my heart!

I expect our CCH community to come together again as the need arises to support our neighbors and neighborhood in whatever need arises in the future. It makes me exceedingly proud to be part of a community who is so willing to assist our neighbors and to give so freely of ourselves. Thank you!

I would also like to make you aware of our wonderful Christmas Decoration Contest that will be held again this year! I know very well that we have some incredibly talented and creative people who reside in CCH who all put me to shame this time of year because my house doesn't hold a candle to the beauty or creativity which they draw to the exteriors of their houses during the holiday season. Once again we will have a committee selecting the homes in our neighborhood who display decorations which will be judged in the following categories:

- The Most Creative
- The Best Interpretation of the Holiday
- The Best Luminary Design (lights)
- The Best Overall Design.

Judging will take place on Saturday, December 19. Have fun, decorate to your heart's content and enjoy this wonderful holiday season!

WELCOMING COMMITTEE, YANJI LAMA AND ERNIE KLIMONDA **EKLIMONDA@GMAIL.COM , YANJILAMA@YAHOO.COM**

Welcoming New Residents

We welcome the following new neighbors to CCH – We hope to meet you soon:

Bill Evans of 3416 Park Hill Place 703-509-4656

Dan and Carrie Gonzalez of 3400 Andover Drive 703-273-4070

Jarret and Rose Larrow of 3403 Andover Drive 203-209-9586

Chad and Marcie Sands of 10100 Spring Lake Terrace 571-321-0849

Andrew and Julie Neville of 3423 Brookwood Drive 703-272-3471

Luis and Melissa Vega of 10000 Boxford Court 703-218-1630

Matthew and Mary Beall of 9930 Pinehurst Avenue 703-978-3549

David Stearman and Jennifer Judelsohn of 10116 Farmington Drive 703-642-2465

Jason and Heather Gray of 9919 Farr Drive

There have been 13 homes sold this year in CCH. Depending on the type of sale, the low was \$326,000 and the high was \$455,000. At present there are 2 listings; one is a short sale and one is in need of work (\$399,900).

Do you know of a newly moved in resident? Please call Yanji or Ernie so that we can welcome them with the “welcome gifts” and a smile!

INFORMATION FOR RESIDENTS

Free Transportation for Medical Appointments

The Shepherd's Center of Fairfax-Burke (SCFB) provides free transportation for medical, dental and therapy appointments. The drives are limited to medical facilities, with most to Inova Fairfax and Fair Oaks hospitals areas. Seniors in the Central Fairfax County, Fairfax City and Burke areas who are in need of this service should contact the office at 703-323-4788, Monday-Friday from 10:00 A.M. to 1:00 P.M.. If there is no answer, please leave your name and phone number so that a volunteer may contact you. Kindly place your request at least 3 working days but not more than 3 weeks prior to the appointment date.

-Ernie Klimonda

Dog Clean Up

Thank you to residents who clean up after their dogs by bagging the dog waste. There is, however, one more step in the process. You must take your “doggie bag” home with you. Do not leave it at the base of a tree. City sanitation workers will not collect dog waste bags left at trash pick-up sites or elsewhere in this way. Doggie bags must be placed in your regular plastic trash bag for collection. You can also flush the contents. If you have hired a dog walker, please be sure they are aware of this requirement. Thanks.

-Ernie Klimonda

SEPTEMBER AND OCTOBER BEAUTY SPOT AWARDS

The beauty spot of the month for September 2009 has been awarded to Albert and Anita Johnson of 3301 Spring Lake Court. The prolific flowers and plants are a feast for the eyes, and the American flag flapping in the breeze in front of the white house completes the beautiful scene.

This is a well planned and tended property. We congratulate Anita and Albert on their industry as well as their artistry. -Polly Haecker, Country Club Hills Garden Club

Judy Gartlan, of 3501 Park Hill Place, has won the October Beauty Spot award. It was a difficult decision this month - The multicolored leaves are just beginning to scatter across lawns, and the dark evergreens show off the warm colors of the turning leaves. All the places look pretty and alive. Well it was a hard decision to make, but someone had to do it. (We are so lucky!)

Judy has a large, interesting property. It fronts on a tiny "private" cul-de-sac on Park Hill Place, and the back of the house is on Cornwall Rd. At first glance we think we are seeing two separate houses. We urge everyone to take a look at this unique property.

The front of the house sits far back from the road, and there are many rows of plants covering the front yard. A path and fence add to the interest. We wondered if there might be vegetables in the garden.

Judy has divided her large property in a clever and interesting way. One of the things that makes Country Club Hills so attractive is the latitude which residents have had in designing their properties and placing houses on their sites. Congratulations, Judy, for your creativity and originality, and for the care you take of your lovely place.

-Polly Haecker and Betty Crawford for Country Club Hills Garden Club

COUNTRY HILLS GARDEN CLUB (CHGC) UPDATE

The Country Hills Garden Club (CHGC) met at "The Commons" on October 13th for a short meeting. Our club is participating in the national project for garden clubs called the "Golden Days". The National Garden Club President, Renee Blaschke, has selected daffodils as a major project for garden clubs nationwide. She feels that few plants offer as much reward for so little input as the daffodil. Daffodils have been among the favorite pass-along plants for generations. Ms. Blaschke is encouraging garden club members to plant and share daffodils with longtime garden club members and listen to their gardening stories; as well as, in retirement communities, and nursing/assisted living facilities where former gardeners might be living. What a wonderful way to remember former gardeners.

In keeping with the National Garden Club President's wonderful project, I had a meeting with Director, Kevin Bainum of the Woodlands, a retirement community on Route 29 south and the home of two CHGC members. We discussed the Golden Days project and Mr. Bainum was excited and loved the concept.

After our short meeting, we divided into teams. A team started pulling weeds at our adopt-a-spot in The Commons and then planted 50 daffodil bulbs. Another team went to the CCH entrance #1 and yet another team went to CCH entrance #2 to plant more daffodils. Once we had completed these plantings we proceeded to The Woodlands. We planted another 50 daffodil bulbs underneath the trees along Rt. 29 (where the deer statues stand). Mr. Bainum had purchased three additional bags of bulbs and we planted them as well. I think the area will be stunning come spring. Country Hills Garden Club is doing its part ¾ "The World Around Us. Love It - Beautify It - Protect It."

If you would like to join us for a meeting, or have any questions regarding our club, you may reach me at 703-591-4017 or at jeskoglund@verizon.net. -Joyce Skoglund, President
