2 ANNUAL MEETINGS HELD...

... CIVIC ASSOCIATION

At the Annual Election Meeting of the CCH Civic Association held on October 27th, a new slate of officers was unanimously elected. Their names, etc. are listed on the previous page. We hope you will keep this information handy and that you will get to know our new and enthusiastic board. In our next Quidnunc? we will publish the names of the Block Captains. We do not as yet have a complete coverage of CCH so please say "yes" if you are asked to assist in this way. We are definitely planning on another "Get Acquainted" coffee for the last week in January. If you want to attend, or know of someone you would like to bring along, call your Area Representative after the next Board meeting, which will be on January 12th, for time and place. These coffees have been most interesting and informative and we found that the "old timers" were having as much fun as the "new comers" hence, the name change! We hope you will come to at least one of them during the year so call us and we'll continue as long as there is a demand.
