Report by the Secretary

AGENDA FOR NEXT MEETING

When and Where: Tuesday, January 3, 1956, at 8:30 pm
Fairfax Elementary School Cafeteria

Treasurer's Report
Committee Reports

OLD BUSINESS

The first order of old business is the motion made at our last meeting which was tabled because of lack of time. The motion reads as follows: "That the Country Club Hills Civic Association go on record to oppose the jet airport at Burke, Va". There will be a short discussion limited to 15 minutes. There will then be a vote taken on said motion and the proper source will be notified by letter of the outcome.

NEW BUSINESS

WASTE NEWSPAPER DRIVE

When and Where: Saturday, December 31, 1955, between
10:30 and 11:00 am. -- Across from
the model house

The last drive netted a little over \$25.00. The Country Club Hills Cub Scout Den, Helen Charin Den Mother, helped collect last time and will be making the rounds again for this drive. Tying bundles was hard work for the boys. Let's have each family tie its own bundles this time.

If the boys don't get around to your house, bring your bundles to the collection point yourself. If you can't do that -- set your bundles out on the sidewalk and others will pick them up. Your old magazines should be separately bundled.

If you need any special help, call Bob Oremland,
CR 3-1110.

PROS & CONS ON GRAY BILL

The Gray Bill, a timely and important issue, will be discussed at this meeting. The speakers will be State Senator John A. K. Donovan, ^{Sen.} from Fairfax, ^{State Rep. in Va.} who will speak against this bill and Col. Charles McCall, former Attorney General of the State of Alabama and

retired Air Force officer representing the Committee for the Constitution Convention who will speak in favor. Both speakers have agreed to answer questions from the floor at the close of their discussion. It is hoped that your interest will be shown by your attendance and participation.

SANTA CLAUSE IS COMIN'

This Christmas Eve sugar plums will surely dance in their wee little heads for Santa is making his long trip from the North Pole to arrive in Country Club Hills at 5:30 pm. He will visit every home bringing each child a little extra gift. Be sure and tell all the children and let them stay up so they will be sure and see him. Santa tells me he hopes to make every home by not later then 7:30.

MINUTES OF INTEREST DURING LAST MEETING

The Constitutional amendment to Article IV, Section 2 -- after last sentence add "Section representatives shall be elected only by vote of members from the section they represent", was presented and unanimously passed.

Motion was made that no minutes be read at the Civic Association meetings. They would hereafter be circulated in "Notes by the Secretary". The motion was seconded and carried.

The chair asked for nominations from the floor for Section V representative. The nomination of Cmdr. Robert Huddleston was made and seconded. It was moved and seconded and passed that nominations be closed.

Mr. Roger Flynn of the Air Transport Association gave a short talk on the advisability of placing an airport at Burke, Va. Mr. Ernest W. Reisner, Chairman, Home Owners Opposed to a Jet Airport in Fairfax County, with the able assistance of Mr. A. O. Apelt, Springfield Civic Association, spoke against this project. A discussion followed.
