FORWARD

The purpose of the Country Club Hills Civic Association is to encourage civic improvement, to promote the general welfare of the community, to represent the community's view points to the City government, to further the appearance and safety of the neighborhood, and to develop community social activities.

The Country Club Hills Civic Association has a history of activity and respect in Fairfax City. With the combined efforts and support of Country Club Hills, we hope to increase our activity, maintain our high level of respect, and continue our reputation as one of the most desirable residential areas in Fairfax City.

Our challenge is maintaining community interest, involvement, and cohesiveness. This requires both participation and communication. We do this through our block captains---delivering our newsletters (Echos from the Hills) and our directory.

The newsletter continues to update Country Club Hills and City information. The directory acquaints us with our neighbors and provides information on services available from Fairfax City and our neighbors.

This directory is made possible by our advertisers. They have provided reliable service to our neighbors in the past. You can feel comfortable in selecting them.

President

ON THE COVER

Jackie Cawley's prints of Fairfax Courthouse, Old Town Hall, and Earp's Ordinary recall the charm of historic landmarks in Fairfax City. The selection of these landmarks for our cover represent our attempt to share a harmony of the old and the new...the same harmony that parallels Fairfax City's unique character and symbolizes the delicate balance of our own Country Club Hills community.

It was the blend of the old and the new, combined with a series of changes in Fairfax City, that sparked an interest in preserving what Jackie Cawley calls the "personally historic" sites in Fairfax City and Northern Virginia. Although Jackie was born in Fergus Falls, Minnesota, she is a true ambassador of Fairfax City. A product of Fairfax City Schools, Jackie attended Layton Hall Elementary, Sidney Lanier Intermediate, and was graduated from Fairfax High School in 1965. After attending East Carolina University, Jackie studied with Peg Waskow at the "Us Too Studio" in Fairfax City. She has associate degrees from Northern Virginia Community College in Art Education and in Fine Art. Jackie also holds degrees in Commercial Art and Illustration.

Jackie's well-known prints of Fairfax City are available for sale and include the following sites familiar to all of us: Bob's Diner, Havabite, NBF, Courthouse Market, Waynes Feeds, Old Fairfax High School, New Fairfax High School, Fairfax Herald, Tastee's 29 Diner, Earp's Ordinary, Massey Building, Old Fairfax Theater, Draper House, Truro Chapel, Old Town Hall, T.T. Reynolds, and Fairfax City Hall. Jackie also has prints from Burke, Fairfax Station, Occoquan, Alexandria, Vienna, Herndon, Leesburg, Waterford, Manassas, and Nags Head, N.C.

Her entire series of prints, plus the creative endeavors of her family, can be seen at "The Stuffed Stocking," Jackie's annual open house, held during the first week of November. For additional information, call 250-6664.

BLOCK CAPTAINS ORGANIZATION

The Block Captains organization is the communication network of the Country Club Hills Civic Association. Block Captains are responsible for welcoming new neighbors, delivering the Association newsletter, Echoes from the Hills, and distributing the annual Directory. In addition, Block Captains provide the backbone of organization for the annual membership drive. Without volunteer Block Captains, the Association could not play an active role in the community.

BLOCK WATCH

Country Club Hills instituted a Neighborhood Block Watch in April 1984. The program consists of two-person patrol vehicles in radio contact with a third base-station operator. This team acts as an information link to the City Police Department. Currently this program is inactive due to the lack of a volunteer coordinator. Anyone interested in becoming involved in this highly needed program is urged to contact a member of the Country Club Hills Board of Directors for more information.

AIR POLLUTION CONTROL

Several provisions of the Air Pollution Ordinance affect all residents

First, permits must be obtained before installing any equipment which is capable of contributing to air pollution. If you believe that you are about to do anything that falls within this definition, you should first see Earl Berner, the Air Pollution Control officer, at City Hall. Most home incinerators will not meet the requirements of the Ordinance.

Second, the Ordinance prohibits all burning which may contribute to air pollution or result in the distribution of particles into the atmosphere. This would prohibit most normal types of burning activities for disposal of materials and leaf burning.

The Air Pollution Control Ordinance does not apply to outdoor cooking of food in devices such as charcoal burners, provided no excessive smoke is produced.

ANIMALS

All dogs must be licensed and vaccinated against rabies when they become 4 months old. Licenses, available at the City Treasurer's Office, City Hall, Room 208, for a $3.00 fee, are due by January 31st each year. For information call the City Treasurer at 385-7900.

The City has primary responsibility for maintenance of its parks and recreational fields. Athletic clubs and organizations which use fields on a recurring basis are expected to assist in maintenance and upkeep.

Any non-profit athletic organization or individuals may be allocated space by the Director of Parks and Recreation. In order to use the facilities, the following criteria must be met:

-Applications must be submitted in writing to the Director of Parks and Recreation.

-Two-thirds of the participants (group activity) must reside in the City or County.

-No restrictions may be based on race, religion, origin, creed, or sex of the participants.

-No recurring or league-type activities may be scheduled at Van Dyck Park under terms of will which bequeathed park to the City.

-School Board activities will pre-empt other activities on all school property.

-Applicants must not have previously violated City rules governing use of parks and recreation facilities.

All groups using a facility will be responsible for policing the area used.

The possession and/or consumption of alcoholic beverages or illegal drugs in parks or on athletic fields is prohibited. Any form of gambling is also prohibited.

All animals must be on a leash and must be within voice control of owners.

Refreshment stands and concessions may be operated only with proper prior approval of the Director of Parks and Recreation.

Children's and youth activities (defined as 17 years of age or under) must be adequately chaperoned by at least one adult per 25 children or youths.

Users agree to hold harmless and indemnify the City of Fairfax or any of its officials with respect to any claim of loss, injury, or damage.

The above is only a partial synopsis of the rules and regulations established for use of City parks, schools, and facilities. Group use or large family gatherings on any City owned park or school property should be coordinated with the Director of Parks and Recreation, John C. Wood Municipal Complex, Old Lee Highway. Call 385-7858 to make arrangements with the coordinator.

TAXES

Not a fun subject, but definitely made easier for us by the City's outstanding organization of "who has to pay what and when."

Businesses - Businesses are required to file a report of taxable personal property between January 1st and May 1st. Go to the Commissioner of Revenue's office for guidance or call 385-7880.

Personal - Citizens who own motor vehicles, boats, or campers must file a report of taxable personal property with the Commissioner of Revenue by May 1st of each year. If you file after May 1st, a penalty payment of ten percent of the tax assessment will be required.

Personal property taxes are payable to the City Treasurer by December 5th. Personal property is assessed every January by the Commissioner of Revenue. For information call the Revenue Office at 385-7881.

Real Estate - Taxes are payable to the City Treasurer twice a year on June 5th and December 5th. Tax rate is set by the City Council and assessments are based on 100% of the market value.

TRANSPORTATION

The City-University Energysaver (CUE) Bus Service is jointly funded by the City of Fairfax and George Mason University. Buses operate Monday through Friday except on holidays, providing transit service between the University's North and Main campuses and around the City. Handicapped and senior citizens (age 60 and over) ride the CUE bus free of charge.

Current schedules and additional information for both bus services may be obtained by calling 385-7859.

TRASH, REFUSE, LEAF COLLECTION

Trash collection is provided all single-family residences in the City on a once per week basis. The following materials will be collected:

Garbage, kitchen waste, cold ashes, and other refuse accumulated as a result of normal household activities. This waste must be properly packaged in metal or approved plastic containers designed for trash collection and having handles and tight-fitting covers. Cans for normal collection purposes must be a minimum of 10 gallons and a maximum of 31 gallons. No container may exceed a capacity of 60 pounds or have a dimension exceeding 5 feet.

Grass, weeds, brush, or similar items provided they are placed at the curb on a collection day and compactly bundled so that they can be handled by one person.

Employees assigned to the trash service will continue to pick up regular trash containers at the back door; however, all special items must be placed at the curb by the occupant.

Newspapers, bundled with twine or placed in paper bags, should be placed on the curb for pick-up by 7AM on the 2nd and 4th Tuesdays of each month. This is part of a recycling program designed to reduce costs of garbage collection and has become mandatory. For more information, call 385-7810.

Poisons, acids, caustics, explosives, hot ashes, or other dangerous materials cannot be collected and will be red tagged by the collectors.

In the trash collection process, owners and occupants have several obligations:

* To remove any red tagged items from the curb collection point within 24 hours;

* To properly store trash prior to collection. Maintenance in an orderly fashion of all trash until it is picked up is the responsibility of of the occupant.

* To make trash containers accessible to our collection employees at not more than 150 feet from the curb or pick-up point, including leaving gates unlocked where applicable (Townhouse occupants, however, must place all refuse at the curb in front of the dwelling).

* Once containers are empty, they must be removed from the curb to their original location not later than 8PM of the same day.

* Where a special pickup has been arranged with the Department of Public Works, such items may not be placed at the curb more than 24 hours prior to the designated pickup date. We hope through this means to eliminate much of the unsightly accumulation which from time to time appears on various streets.

Special Pickup. Residents may contact the Public Services Department at 385-7825 to arrange for special pickups of cartons and refuse from moving and brush only. Other refuse is collected on the regular service days. Large single items such as furniture and appliances with all doors removed must also be placed at the curb.

Saturday Service. A trash truck is positioned in the rear parking lot of Pope Paul VI High School every Saturday from 8AM until 12 noon.

Leaf Collection. Each fall, the City operates four leaf collection vehicles throughout the City four days a week for as long as leaves continue to accumulate. For more information, call Mr. Shelton at 385-7810.

Brush Pickup. Residents may contact the Public Services Department at 385-7825 to arrange for special pickups on Mondays. Arrangements must be made by 6AM on Mondays.

OPEN BURNING PROHIBITED! The City's Air Pollution ordinance prohibits all open burning within the City limits. The ordinance does not apply to outdoor charcoal burners provided there is no excessive smoke being produced.

City residents may call 385-7810 regarding any questions about refuse collection.

VOTER REGISTRATION

Any citizen of the United States who will be eighteen by the date of any election is qualified and entitled to register and to vote. To vote in any election, registration must be completed at least 30 days prior to the election. Virginia has a General Election every November.

Registration hours are Monday through Friday from 8:30AM to 5PM at the City Hall Annex. From January through the first Thursday in October registration is taken at the Department of Motor Vehicles at 11215 G Lee Highway, Monday from 10AM to 8PM and Thursday from 10AM to 8PM. Registration is available 7 days a week at the Fairfax City Regional Library, 3915 Chain Bridge Road, during normal library hours. Registration is also available at the Post Office also on Chain Bridge Road on Mondays from 9AM to 5PM.

Voter registration is permanent in Virginia if you remain a resident and vote at least once every four years. It is the responsibility of the voter to notify the Registrar of any change of name and/or address.

Anyone who will be away on Election Day may vote by absentee ballot.

If you need any assistance with the registration, absentee ballot, or election process, call the General Registrar, Phylis Salak, at 385-7890.
