# MAP OF THE COUNTRY CLUB HILLS COMMUNITY

## **ABOUT THIS DIRECTORY**

A directory is published by the Country Club Hills Civic Association (CCHCA) every two to four years; the membership list is updated annually. The directory and updates are provided free to all paid members of the civic association. The CCHCA Board of Directors produced the print ready copy for this directory.

## **COUNTRY CLUB HILLS CIVIC ASSOCIATION**

The purpose of the Country Club Hills Civic Association is to encourage civic improvement, to promote the general welfare of the community, to represent the community's viewpoints to the City government, to further the appearance and safety of the neighborhood, and to develop community social activities.

Members of the Board of Directors are limited to two one-year terms in any given office. Their reward comes from you, the members who support, participate in and enjoy the activities and events that CCHCA sponsors.

We feel that it is important to have a healthy civic association that is ready and able to notify you of happenings in the city that enhance or threaten our common interests. This association will represent the neighborhood's interests any time an issue gains the popular support of our members.

The civic association maintains a close interface with city departments thanks to our Civic Affairs Director, and representatives to the Council of Civic Associations and the Chief of Police/Citizens' Advisory Council.

Two-thirds of the participants (group activity) must reside in the City or County.

No restrictions may be based on race, religion, origin, creed, or sex of the participants.

School Board activities will pre-empt other activities on all school property.

Applicants must not have previously violated City rules governing use of parks and recreation facilities.

All groups using a facility will be responsible for policing the area used.

The possession and/or consumption of alcoholic beverages or illegal drugs in parks or on athletic fields is prohibited. Any form of gambling is also prohibited.

All animals must be on a leash and must be within voice control of owners.

Refreshment stands and concessions may be operated only with proper prior approval of the Director of Parks and Recreation.

Children's and youth activities (defined as 17 years of age or under) must be adequately chaperoned by at least one adult per 25 children or youths.

Users agree to hold harmless and indemnify the City of Fairfax or any of its officials with respect to any claim of loss, injury, or damage.

The preceding is only a partial synopsis of the rules and regulations established for use of City parks, schools, and facilities. Group use or large family gatherings on any City-owned park or school property should be coordinated with the Director of Parks and Recreation, John C. Wood Municipal complex, Old Lee Highway. Not a fun subject, but definitely made easier for us by the City's outstanding organization of "who has to pay what and when."

**Personal** - Citizens who own motor vehicles, boats, or campers must file a report of taxable personal property with the Commissioner of Revenue by May 1st of each year. If you file after May 1st, a penalty payment of 10% of the tax assessment will be required.

Personal property taxes are payable to the City Treasurer by October 5th. Personal property is assessed every January by the Commissioner of Revenue. For information call the Revenue Office at 385-7881.

**Real Estate** - Taxes are payable to the City Treasurer twice a year on June 5th and December 5th. Tax rate is set by the City Council and assessments are based on 100% of the market value.

# TRASH, REFUSE, RECYCLING, & LEAF COLLECTION

Trash collection is provided for all single-family residences in the City on a once per week basis. The following materials will be collected:

Garbage, kitchen waste, cold ashes, and other refuse accumulated as a result of normal household activities. This waste must be properly packaged in metal or approved plastic containers designed for trash collection and having handles and tight-fitting covers. Cans for normal collection purposes must be a minimum of 10 gallons and a maximum of 31 gallons. No container may exceed a capacity of 60 pounds or have a dimension exceeding 5 feet.

Grass, weeds, brush, or similar items provided they are placed at the curb on a collection day and compactly bundled so that they can be handled by one person.

Employees assigned to the trash service will continue to pick up regular trash containers at the back door; however, all special items must be placed at the curb by the occupant.

In the trash collection process, owners and occupants have several obligations:

To remove any red-tagged items from the curb collection point within 24 hours.

To properly store trash prior to collection. Maintenance in an orderly fashion of all trash until it is picked up, is the responsibility of the occupant.

To make trash containers accessible to our collection employees at not more than 150 feet from the curb or pick-up point, including leaving gates unlocked where applicable.

Once containers are empty, they must be removed from the curb not later than 8:00 pm of the same day.

Where a special pickup has been arranged with the Department of Public Works, such items may not be placed at the curb more than 24 hours prior to the designated pickup date. We hope through this means to eliminate much of the unsightly accumulation which from time to time appears on various streets.

**Recycling** Recycling is mandatory in the City. Recyclables should be placed in the blue bin provided by the City and set out on the curb before 7:00 am on trash pick-up day. For more information call 560-BINS.

**Hazardous Waste** Household hazardous waste cannot be collected and will be red-tagged by the collectors. Household hazardous waste can be dropped off at the Fire and Rescue Training Academy, 4600 West Ox Road (9:00 am to 3:00 pm first and third Saturdays). Used motor oil is collected at the following locations:

- Property Yard, 3410 Pickett Road, 7:00 am to 3:30 pm weekdays (385-7810)
- University SUNOCO, 10383 Lee Highway (385-4587)
- Goodyear, 11040 Lee Highway (591-9300)
- Merrifield AMOCO, 8418 Lee Highway (560-2288)
- Kamp Washington Shell, 11175 Lee Highway (691-9706)
- Firestone, Pickett Shopping Center (323-1550)

**Leaf Collection** Each fall, the City operates four leaf collection vehicles throughout the City four days a week for as long as leaves continue to accumulate. For more information, call Mr. Shelton at 385-7810.

**Free Mulch Delivery** Call 385-7995 for this service.

Brush Pickup Residents may contact the Public Services Department at 385-7825 to arrange for special pickups on Mondays. Arrangements must be made by 6:00 am on Mondays.

Open Burning Prohibited! The City's Air Pollution ordinance prohibits all open burning within the City limits. The ordinance does not apply to outdoor charcoal burners provided there is no excessive smoke being produced.

City residents may call 385-7810 regarding any questions about refuse collection.

## VOTER REGISTRATION

Any citizen of the United States who will be eighteen by the date of any election is qualified and entitled to register and to vote. To vote in any election, registration must be completed at least 30 days prior to the election. Virginia has a General Election every November.

Registration hours are Monday through Friday from 8:30 am to 5:00 pm at the City Hall Annex. From January through the first Thursday in October registration is taken at the Department of Motor Vehicles at 11215 G Lee Highway, Monday and Thursday from 10:00 am to 8:00 pm. Registration is available 7 days a week at the Fairfax City Regional Library, 3915 Chain Bridge Road, during normal library hours. Registration is also available at the Post Office on Chain Bridge Road on Mondays from 9:00 am to 5:00 pm.

Voter registration is permanent in Virginia if you remain a resident and vote at least once every four years. It is the responsibility of the voter to notify the Registrar of any change of name and/or address.
