

COUNTRY HILLS GARDEN CLUB BULLETIN

October, 1964

The regular monthly meeting of the club will be held this Tuesday, October 13th, at the home of Viv Troyer, 220 Andover Drive (CR.3-0950).

This is the month for our annual chrysanthemum show, so all members bring in your flowers. For the benefit of the new members, either a single bloom or a cluster of blooms on a single stem is acceptable, and no fancy container -- stick them in a coke bottle. There is a silver trophy to be given to the winner, which is engraved with the winner's name and kept by her until the show next year. So let's have a big showing!

In addition to the chrysanthemum showing, there will be arrangements made by the members demonstrating typical arrangements suitable for various places in the living and dining rooms. This should prove to be a most interesting meeting, so let's have a good turnout! If you are not able to attend, please notify Viv or Rosie Work (1196) ahead of time so we will know how many to plan for.

We have copies of the new 1965 calendar on hand now, so if you want one, please bring your \$1.50 to the meeting Tuesday.

We have a regular baby-sitter again. Doris McManama has agreed to sit for the club on meeting days at her home at 320 Spring Lake Terrace. She would like, however, to know who will be coming, so all members who are interested, please call Doris ahead of time. Her telephone is CR.3-5838.

Final reminder -- any member who has not paid their dues, please bring them to the meeting so we can get this all wrapped up!

Enough said -- let's have a good showing on Tuesday.
