

Beauty Spot of the Month

The Beauty Spot for April, 2010 has been awarded to one of our own, Garden Club member Nancy LeBow of 10120 Cornwall Road. No problem finding Nancy's place: "LeBow" is inscribed in black letters on a big, bright red wooden heart in front of the house. Nancy apparently found her yard under all that snow, and the yard was either in great shape or she has been working diligently ever since she could push the door open.

We love Nancy's huge corner lot. We saw three lovely dogwood trees ready to pop, if they have not already done so. Her healthy dark green bushes and well-kept fence border a spectacularly neat yard.

Congratulations, Nancy! And thank you for contributing to the interest and beauty of Country Club Hills.
