

The Beauty Spot for the Month of July 2009 goes to Karen Marksteiner, of 9937 Pinehurst Avenue. Karen's large, fenced corner lot is beautifully landscaped with bushes and flowers. A pot of Begonias is perched on each brick fencepost. For 17 years Karen has been the sole landscaper, caretaker and fence "repairer" of this interesting place. Great work Karen, and congratulations!

This month we'd like to give an honorable mention to Kathy Keitt, formerly of 3403 Park Hill Place, who for many many years has been consistent in keeping her property neat, orderly and attractive.
