

The Country Club Hills Garden Club is delighted to give the September Beauty Spot award to Bonnie Roberts and Stafford Markham of 3421 Park Hill Place.

The house sits high on its site, and a meandering drive enhances the interest. The yard is always neat with lovely flowers bordering the house - and we admire the two weeping cherry trees at the driveway entrance, which Bonnie and Stafford are working hard to keep alive and well.

We'll be rooting for you (a good pun eh?).

Congratulations Stafford and Bonnie!

Kathy Keitt, Polly Haecker for Country Hills Garden Club
